

WELCOME AMBASSADORS!

We're so excited to meet you!

Some of you have traveled 2-3 hours to get here, and others live within 10 miles. We've brought you here to help shape your leadership development and inspire you to #BeTheChange.

Over the next 2 and a half days, we will give you tools and experiences to help you begin to understand who you are as a leader and how you fit into different levels of communities.

On Sunday, you'll leave with a new perspective, new friends and - we hope - a feeling of empowerment to create positive change for yourself and the world.

Over the next few days you'll hear motivational speakers, participate in team-building and personal development activities, as well as complete a community service project.

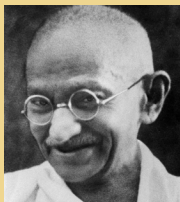

Get ready for an #Outstanding weekend!

TODAY'S INSPIRATION:

"Be the change you wish to see in the world."

-- Mahatma Gandhi
